Hey Vishal,

How are you? Hope all is well with you. I am sending this mail to you to just test my model.

You can ignore this mail.

But please send the pdf and the .eml contents of the mail to me as soon as possible

I am also adding a attachment which this mail to check weather it can detect the file and give me a proper according to the test.

Your Quick assistance in this will highly appreciated.

Thank you

Warm Regards

Arpanendu Khag
